5. Go back to the auditorium and warm up. No more than 10 to 15 minutes. Don't overdo it!

5 MINUTES BEFORE YOUR AUDITION TIME

1. Go to your audition room. Make sure you have **instrument, music (order of scales listed), audition ticket.**
2. Hand your audition ticket to the page (person sitting in front of the room)
3. Take a deep breath, and RELAX! GOOD LUCK!
4. Remember ~ You may ask the judge, "May I please play a few notes to warm up?"

AFTER THE AUDITION:

- Relax and Celebrate! You are done with your audition!
- The Directors will receive UNOFFICIAL results for Region Band on Monday or Tuesday morning.
- **PLEASE NOTE ~ Results are not finalized until AFTER the All-State auditions on January 27.** After Region auditions, directors will be sent a list of students who received a call-back to audition for the All-State Band. You will have a general idea of whether you may be in Region Symphonic or Concert Band, but again, we will not receive the final Region band rosters until after the All-State audition.

REMINDERS

- Arrive **AT LEAST** 45 minutes before your scheduled audition time. You will need time to register, find your room, and warm up.
- **DO NOT** speak in the audition room unless the judge speaks to you first.
- **DO NOT** play your instrument in any area other than designated "warm up area" and your audition room.
- Be on your best behavior. Remember, you are not only representing yourself, but our band program and our school.
- Dress nicely, and thank the judges for listening to you. It never hurts!
- Have fun and enjoy playing your instrument! Even if you don't have the "perfect audition", you have become a better musician by this experience.
- There may be drinks and snacks for sale if you would like to purchase them. If you eat or drink, make sure you rinse your mouth before you play.
