

REGION 4 & ALL-STATE REGISTRATION INFORMATION
DEADLINE FOR REGISTRATION: TUESDAY, OCTOBER 31ST, 2017

REGISTRATION INFORMATION (KEEP THIS FOR YOUR RECORDS)

To register for auditions, each student must check the box of **EACH** audition in which they are choosing to participate on the Audition Registration Form.

- ♫ Region 4 and All-State are **AUDITIONS AND CLINICS**. Attendance for these clinics is **MANDATORY** for students selected for either of those bands. **Please understand** that if your student is selected for a band and you don't attend the clinic, another deserving student in the state doesn't get the opportunity to participate in these honor bands. You also risk your student's ability to audition in the future by the SCBDA. *Please refer to the band handbook for our policy concerning auditions.*
- ♫ Based on audition scores, students are placed into two bands ~ Junior Symphonic Band or Junior Concert Band. Both bands have a **MANDATORY** Clinic on Friday & Saturday, February 23-24, 2018.
- ♫ All-State is a continuation of the All-Region process. Students who finish in the top chairs of Region 4 Symphonic Band (approximately the top 25% of each instrument), will be eligible and called-back to audition for All-State.
- ♫ Students, who get a call-back to audition for All-State and are **NOT** selected, will still perform with the Region 4 Junior Symphonic Band.
- ♫ *Note to Students & Parents:*
 - ✓ Students in the Region Concert Band *do not* earn points towards Honor Band, and are not eligible for 7th & 8th Grade Honor Band.
 - ✓ Students who do not participate in the audition process will not be eligible for the Cario Honor Band award.
