

Thomas Cario Middle School Band

Cario Bands Together for Kids

September 14, 2011

Dear _____,

I am proud to be a member of the Cario Middle School Band. We are a very successful program, and we work hard to maintain our high standards. Our band and its members have consistently achieved superior ratings and results at local, regional and statewide competitions. We really enjoy our music and learn so much.

Unfortunately, due to budget constraints, the Charleston County School District only funds a small portion of the band program. We work very hard to raise the additional money our band needs, but as you can imagine, our expenses are great. Because of this, we would greatly appreciate it if you would consider sponsoring our program. Your donation will help us purchase and repair instruments, buy music and uniforms and allow us to participate in competitions and field trips. We intend to give back to our community as well, by participating in four community service projects: the Sullivan's Island Beach Sweep, a coat drive, a children's book drive, and a snack food drive for the Ronald McDonald house. Through these service projects, we will be working hard to show our appreciation for your sponsorship.

Your investment contributes to our music education and helps to make a big difference in our lives and our community. The Cario Band Boosters is a 501(c)(3) organization, so your contribution to the general band fund is fully tax-deductible. Your check and this letter will be your receipt to use for tax purposes. *Please note that contributions toward an individual student's fees should be sent separately and are not tax deductible.*

Thank you,

.....
Cut and place in enclosed envelope along with our check or money order
