Excellence Through Music

Cario Bands Together for Kids

August 25th, 2016

Dear _____,

I am proud to be a member of the Cario Middle School Band. This is a historic year for our program, as it will mark our director, Jeffrey Scott's 30th year of teaching and 30th consecutive year of achieving superior ratings at our local, regional, and statewide competitions. We are excited to embark on this year and maintain this legacy of distinction. Our music not only brings enjoyment, but instills leadership skills in us which translate into all areas of our lives. Music is not only what we do, it is who we are.

Unfortunately, due to budget constraints, the Charleston County School District only funds a small portion of the band program. We work very hard to raise the additional money our band needs, but as you can imagine, our expenses are great. Because of this, we would greatly appreciate it if you would consider sponsoring our program. Your donation will help us purchase and repair instruments, buy music and uniforms, and allow us to participate in competitions and field trips. We intend to show our appreciation for your sponsorship by giving back to our community through our annual community service projects: the Sullivan's Island Beach Sweep, a coat drive, as well as a toy and children's book drive.

Your investment contributes to our music education and helps to make a big difference in our lives and our community. The Cario Band Boosters is a 501(c)(3) organization, so your contribution to the **general band fund** is fully tax deductible. Your check and this letter is your receipt to use for tax purposes.

Please visit our website at <http://cariobands.org> for all of the exciting details about our program. We proudly invite you to experience our love of music at one of our many performances throughout the year. All donations, no matter the amount, are *instrumental* to our success as we *band* together to meet and surpass our goals during this historic year for our program.

Please note: Donations to Cario Band Together for Kids are placed in our General Fund.
