♫ Ensemble ~ \$4.00 ***per person for the entry fee***

PREPARING FOR SOLO & ENSEMBLE FESTIVAL

Music: If you are taking lessons, ask your instructor to help you choose suitable music. Otherwise ask the directors, and they will assist you. You do not need to select your music at the time of registration. You will, however, need to purchase the original piece of music for Solo & Ensemble Festival.

Rehearsals: You must commit the time required to perform at the highest caliber. Any student who has not prepared will not be allowed to represent our school at the festival. If you choose an ensemble, make sure you choose partners wisely!

Accompaniment: **Students are responsible for securing and paying a piano accompanist for this event.** Most solos must be performed with a piano accompaniment.

Performance: Each student performs his solo or ensemble before one highly qualified judge. Constructive comments and a rating are given at this time. Unfortunately, parents are not allowed to be present in the room during the performance.

Mandatory Attendance: Any students who register must participate in this event.

STUDENTS MAY PARTICIPATE IN ONLY 2 EVENTS ~ (Example: one solo and one ensemble)

♫ Mr. Scott, Mrs. Mumford, or Mr. Vernon-Young must approve your ensemble.

♫ Duets must be like instruments ~ Example: clarinet duet, not clarinet and tuba duet.
