

1ST ANNUAL CARIO BAND SCAVENGER HUNT

Friday, November 1

Begins @ 4PM Ends @ 6PM

Park West Recreation Complex

Students: Go directly to the track at the Park West Recreation complex after school to meet your hosts. You will team up to solve clues, find items, and complete challenges to win— all participants will be rewarded, and winning teams will receive prizes. Wear layered, comfortable clothing and good shoes for trail-walking. Water and snacks will be provided before the hunt; please bring sunscreen, bug spray, and a few dollars to purchase a Pelican snowball. Can you guess what creatures and characters you will find? With balloons, boats, waffles and sharks, this is sure to be a monstrously good time you don't want to miss! See you there!
